Remaining at your disposal should you require any queries or quotes, please send your request to our generic address: logistics@ocean-express.com would you have cargo for ports not mentioned on the list above, do not hesitate to contact us.

All ports are served directly with sufficient cargo inducement.
Additional ports can be called upon request.
All ports are subjected to inducement.

Calls of our vessels are planned to be in port for 24 hours.

Please ensure that all cargoes for loading are ready with correct documentation.

Any delay with loading or unloading will incur an additional cost of 350 EUR per hour, plus any additional charges if imposed by the Port Authorities due to the delays.

Note: Seafreight costs quoted are FIOST basis. That is, all local CCA and Stevedoring Services are the client's responsibility.
